

Sharing expertise for the best health care

ExPO-r-Net is a 3-year project that will build a **European Reference Network (ERN)** for Paediatric Oncology

Goals

- **Link** paediatric oncology centres of excellence
- **Enable treatment** of young people with cancer in other EU Member States
- **Improve access** to high-quality health care for all young people with cancer
- **Reduce inequalities** in childhood cancer Survival and healthcare capabilities across the EU
- **Empower patients** affected by complex or rare diseases across the EU

Because Children & Adolescents with Cancer deserve the best possible Treatment - no matter where they live !

Stakeholders

More than 60 Partners from 17 Countries:

- 18 Associated Partners
- More than 50 Collaborating Partners
- 8 Work Packages
